New Artist Leads & Inspires with Debut EP Album

DETROIT, MI, May 11 2016 - Singer/songwriter, Claire Whittleston, is pleased to announce the launch of her digital debut EP album, ***Dreams Can Come True***. She'll be kicking things off with three single releases: Surrender (June 7th), Over The Rainbow (July 6th) and Flame of Truth (August 10th). Later this summer, Claire will be set to digitally release her full three bundled track album on September 7th, 2016. All tracks will be available online via CD Baby, iTunes and Amazon.

Created with Grammy award nominated producer, Ben Leinbach, Claire's soul/r&b/pop mantra music incorporates soulful grooves with a contemporary heart-opening style.

Dreams Can Come True urges listeners to heed the longings of their heart and soul, surrender fears and bravely following their dreams. The music and lyrics offer a potent invitation to follow your curiosity, to listen, look inside and to discover and reveal the treasures hidden deep within your heart and soul.

Originally from England, Claire began studying piano at age 8, yet kept her love of singing a secret due to extreme performance anxiety. Through yoga and her training at the Kirtan Leader Institute, Claire overcame her fears and proudly shares her voice, allowing her soul's journey to unfold. Claire supports Kirtan Artist Michael H. Cohen during his Midwest tours and in 2015, led her original chant - Over the Rainbow during Bhakti Fest Midwest as they opened for the legendary Krishna Das. Claire's journey has taken her from singing in a church hall to the main Bhakti Fest Midwest stage, to recording her very first EP album with Ben Leinbach in California. *"I followed my curiosity and became more receptive to ideas and experiences that were happening in my life. From that, I was able to heal through creative expression such as journaling, writing lyrics, singing, chanting. That enabled me to open and follow my heart. And now, through my music and my story, I hope to inspire others to do the same."* said Claire Whittleston.

Claire holds yoga and Kirtan workshops and has supported Chant for Charity events at the Hamsa Yoga Center in Lake Orion, MI. She continues to share her gifts through yoga and Kirtan workshops, classes and special events and is always looking for new opportunities to share her voice. Information about her inspirational workshops will be announced in the fall.
